MATERIALS FOR YOUR CLASS/WORKSHOP

MSS will need a list of materials and supplies required for the class prior to promoting it. During the planning process, Instructors are required to provide a detailed list of materials needed for the class which includes information such as amounts needed per student/per class, prices, etc.

For this proposal, please provide only a general list of what you will need for this class (such as-oil paints/easels, & brushes etc).

Material requirements and costs will be listed in the program description and/or emailed to students. When possible, material costs will be included in class/workshop registration cost. What format do you feel would best suit your class/workshop as described below.

- Middlebury Studio School will purchase materials to be included in tuition paid by students, at a calculated cost per student
- Instructor will purchase/provide materials, to be included in tuition. MSS will reimburse the Instructor for materials & supplies.
- Students will purchase their own materials for this class. Instructor will provide a list of materials needed for the class along with recommendations of where to purchase materials. (Choose this option for online classes).
